RESEARCH INTERESTS

My research interests lie in the fields of Price Transmission Analysis and Volatility, Market Power, Efficiency and Productivity (DEA, Stochastic Frontier Analysis) and I have conducted empirical research assessing the results of EU Agricultural Policies, Free-Trade Agreements, and employing econometrics and statistics techniques with regards to the Agricultural Markets and the International Markets of Agricultural Commodities. My further academic interests include decision support tools for real-time problems, mathematical modelling techniques, decision analysis methodologies, etc.

STUDIES

10/2005	Degree in Mathematics	National and Kapodistrian University of Athens, Greece
01-06/2002	Erasmus Exchange Student	National University of Ireland, Galway
05/2009	MSc. in Transportation and Logistics	Denmark Technical University
10/2014-05/2015	External Student	Mediterranean Agronomic Institute of Chania, Greece
12/2018	Ph.D. in Agricultural Economics	University of Patras, Greece

TEACHING EXPERIENCE

04-07/2018	Adjunct Lecturer	Technological Education Institute of Ionian Islands,
------------	------------------	--

	Courses: Econometrics, Financial Mathematics	Department of Business Administration, Lefkada
04-07/2019	Adjunct Lecturer Courses: Microeconomics II, Introduction to Economics II	University of Patras, Department of Economics, Patras
03-06/2019	Adjunct Lecturer Courses: Business Statistics	Technological Education Institute of Western Greece, Department of Business Administration, Messolonghi
10/2019-09/2021	Adjunct Lecturer Courses: Operations research, Financial Mathematics, Quantitative Methods in Decision Analysis	Agricultural University of Athens, Department of Logistics, Thiva
10/2021-Present	Adjunct Lecturer Courses: Introduction to Economics I, Agricultural Policy, Economic Geography	University of Patras, Department of Economics, Patras
